Our pralines

have a unique taste not only because we use superior ingredients and sophisticated recipes, but also because we do not add any artificial preservatives to our pralines as we do not compromise in this matter. Our chocolates are generally created on order and that is why they are fresh and the most delicious after delivery. Of course, our chocolates can be stored but no longer than a couple of weeks – the real freshness cannot last forever!

Chocolate Experience

We know how important it is to care for the natural environment, which is why we are working to reduce the use of plastic in our products. Our chocolate collection is one such solution. The cardboard boxes for these products are made of paper composed of 70% virgin fibres (cellulose pulp) and 30% recycled fibres. The cardboard boxes are fully recyclable.

9700 MILK CHOCOLATE BAR 40% COCOA - GHANA

Exceptional chocolate with a touch of oriental and fruity flavours. At first, it delights you with the taste and smell of sweet fruits, such as blueberries, strawberries or cherries. At the same time, it reveals a hidden hint of nuts concealed by a gentle sourness touch giving the chocolate a unique and slightly dry flavour.

9701 DARK CHOCOLATE BAR 75% COCOA - TANZANIA

The hot and humid climate of Tanzania gives the cocoa that grows there a unique savoury taste of ginseng and Chinese angelica roots. In the chocolate created from these beans, one can recognise the touch of bitter nuts balanced with the aroma of red fruits like cherries or plums. This taste experience is complemented with a hint of the best spices.

9702 DARK CHOCOLATE BAR 66% COCOA - MEXICO

At first, it delights you with a strong spicy aroma and then it captivates with the taste of liquorice followed by plum and white fruits. The entire composition is enriched by the taste of dried and aromatic tobacco leaves. This chocolate has one of the most distinctive and strongest flavours.

9705 MILK CHOCOLATE BAR 40% COCOA - GHANA

This chocolate was created for real milk chocolate gourmets. The dominating taste of chocolate with 40 % cocoa is paired with refreshing and sour flavours and a delicate hint of fresh apple and spice is the source of a memorable taste experience.

9706 MILK CHOCOLATE BAR 40% COCOA - ECUADOR

An exceptionally gentle texture of chocolate with a subtle taste, enriched with a hint of red fruits and rose petals. The beans cultivated in the tropical climate have an aroma of walnuts, marzipan and caramel. A subtle and creamy chocolate that we call ideal chocolate.

9707 WHITE CHOCOLATE BAR 28% COCOA

This white chocolate is unusually subtle in taste as it blends the perfectly balanced aromas of cream and high-quality vanilla. In the depths of its taste, there is a hint of caramel and a delicate butter aroma.

The process of making chocolate is a kind of art, similar to the process of making wine. We combine chocolate with wine as a comparison or contrast, adjusting together the level of sweetness, intensity and acidity.
