## KEYCHAINS, PIGGY BANKS AND MONEY BOXES WITH LOGO IMPRINT

We are specialized in the production and personalization of Keychains, Piggy Banks and Money Boxes with logo imprint. We offer pad print in up to 4 colours on all products. As an alternative, we offer digital printing on selected money boxes - look for the marking "Suitable for digital printing" in this catalogue.

Most of our products are available in a recycled version - see the markings at each product in the catalog. All our Keychains and Piggy Banks are produced in The Netherlands - which ensures that we can maintain a high quality and a short delivery time.

## SCHLÜSSELANHÄNGER, SPARSCHWEIN UND SPARDOSEN MIT LOGODRUCK

Wir sind spezialisiert auf die Produktion und Individualisierung von Schlüsselanhänger, Sparschweinen und Spardosen mit Logo Druck. Wir bieten Tampondruck in bis zu 4 Farben für alle Produkte an. Alternativ bieten wir Digitaldruck auf ausgewählten Spardosen an - achten Sie in diesem Katalog auf die Kennzeichnung „Suitable for digital printing“.

Die meisten unserer Produkte sind in einer recycelten Version erhältlich - siehe die Markierungen an jedem Produkt im Katalog. Alle unsere Schlüsselanhänger und Sparschweine/Spardosen werden in den Niederlanden hergestellt, um eine hohe Qualität unserer Produktpalette und eine kurze Lieferzeit zu gewährleisten.

## PORTE-CLÉS, TIRELIRES ET CAISSES D'ÉPARGNE AVEC IMPRESSION DU LOGO

Nous sommes spécialisés dans la production et l'individualisation de porte-clés, tirelires et caisses d'épargne avec impression de logo. Nous proposons des tampons d'impression en 4 couleurs maximum sur tous les produits. En guise d'alternative, nous proposons l'impression numérique sur des tirelires sélectionnés - soignez le marquage «Suitable for digital printing» dans ce catalogue.

La plupart de nos produits sont disponibles d'une version recyclée - voir le marquage de chaque produit du catalogue. Tous nos porte-clés et nos tirelires sont fabriqués au Pays-Bas, ce qui nous permet de maintenir une haute qualité de nos produits et un délai de livraison court.

## NØGLERINGE, SPAREGRISE OG SPAREBØSSER MED TRYK AF LOGO

Vi er specialiserede i produktion af nøgleringe, sparegrise og sparebøsser med logotryk. Vi tilbyder tampontryk i op til 4 farver på alle vores produkter. Som et alternativ tilbyder vi digital print på udvalgte sparebøsser - kig efter mærket "Suitable for digital printing" her i kataloget.

De fleste af vores produkter fås i en recyclet version - se markeringerne ved hvert produkt i kataloget. Alle vores nøgleringe og sparegrise er produceret i Holland, hvilket sikrer at vi kan opretholde en høj kvalitet på vores produkter og en kort leveringstid.

## MADE OF RECYCLED MATERIAL

Allmost all our keychains are available in recycled acrylic.

The available standard colours are the same as for standard acrylic. The recycled materials are in general nice and clear. There can sometimes be minor variations in colours and small impurities and bubbles in the material, but in our opinion, these small differences only helps to emphasize that the material is recycled.

All recycled keychains are available with either standard ring (Ø 22 mm) or an elegant flat ring in chrome-look (Ø 28 mm), including stamping: "RECYCLED PLASTIC" on one side and "MADE IN THE NETHERLANDS" on the other side.

Standard ring

Stamped ring

Note: Stamping will be randomly placed on front/back of the keychain.
